

#### One touch easy backup

Transcend's 2.5" SSD/HDD Enclosure Kit features a one-touch backup function enabling the express synchronization of files and folders with just one touch. Download the Transcend Elite software from our website to manage your data in a more organized way! Note: Transcend Elite software is required to use this feature.

#### One kit for all

Transcend's 2.5" SSD/HDD Enclosure Kit includes a 2.5-inch enclosure with an outer rubber case, an inner rubber shock absorber, a SATA adapter, a USB cable, a 7mm to 9.5mm spacer, a PH1 screwdriver, and three M2 mounting screws.

# Shock absorbing rubber for rugged protection

Included in the kit is an outer rubber case and an inner rubber shock absorber for optimum protection against shock and vibration. If your original hard drive is only 7mm in height, a spacer is included to increase the thickness by 2.5mm, allowing your drive to perfectly fit inside the inner rubber shock absorber.
